

Veterinarian Associate (Full-Time & Part-Time) Wanted in Northern Virginia

Full-time and Part-time veterinarians needed for a fast-paced, community-forward practice located in Vint Hill, Virginia. Willow Animal Hospital is a small animal, four doctor (plus specialists) veterinary clinic with dedicated clientele and staff.

With a combined 175+ years of Veterinary experience, Willow Animal Hospital has become an important member of Vint Hill, VA community since it opened in September 2022. Willow's 4 doctors specialize in all aspects of feline and canine care including wellness, diagnostics, surgery, chiropractic, acupuncture, behavioral, holistic medicine, dental, as well as hosting board certified soft tissue/orthopedic surgeons and other specialty practitioners who add value to both the practice and our clients. Operating out of a brand-new state of the art 6000 square ft facility, Willow Animal Hospital provides care 7 days a week, including urgent care.

New grads welcome! Start your career with some of the best doctors in the region:

- Dr. Kent Smith (owner) - specializes in small animal medicine and surgery, emergency, and critical care for small animals.
- Dr. Andrea Ballou - Musculoskeletal Rehabilitation and general small animal medicine.
- Dr. Shannon Kasmierski - Specializes in cats, general small animal medicine and emergency care.
- Dr. Laurel Marley - Specializes in small animal acupuncture/chiropractic care, general small animal medicine and large animal medicine.

Specialists work on-site with Willow Doctors: Tibor Lazar, DVM, DACVS, Anne Chiapella, DVM, DACVIM

On-Site Diagnostics: CBC, Chemistry, Thyroid and Toxicology Testing, Urinalysis, Radiology, Dental Radiology, Laser Therapy, and Ultrasound.

Required:

- Doctor of Veterinary Medicine degree.
- Authorized to work in the US.
- Appropriate state (Virginia) licensure and insurance.
- Ability to work in a fast past environment that is dynamic.
- Exceptional listening and verbal skills for our support staff and clientele.
- Ability to have empathy toward clients and their pets.
- Interest in teaching veterinary students, technical staff members, and kennel assistants to ensure the entire hospital is learning together.
- Outstanding organizational skills—medical and administrative including computer skills (Ezy Vet Veterinary Software, Microsoft Office Suite, On-line search databases, and Veterinary Software Applications (VIN, Plumbs, etc.)

- Able to thrive in a variety of environments.
- Bi-lingual welcome.
